Dan,

All upcoming CASAC meetings will be officially announced in the Federal Register. The Federal Register Notices will provide information on how to register to provide oral comments and how to submit written public comments. Our CASAC website will also be updated as Federal Register Notices publish.

Please let me know if you have any further questions.

Dear Aaron...

Just two quick questions:

- has a CASAC meeting for the PM ISA been set for December (as I had heard it might be)?
- If so is there a procedure for registering to present comments?

Had been to your website and not found anything quite yet. I realize the whole thing is in a bit of flux, but just checking!

Thanks  
Dan
